**AUDIENCE PARTICIPATION**

Osler – I am here because I am hearing that they want us to close main street for a few hours on Friday the 15<sup>th</sup> which I totally disagree because our business has been affected for 3 months of the year and we lost a lot of sales. My second concern is that I think her name is Judy. She told me that whenever it snows the city wont be able to clean the street. Which is going to be hard because I think that is the city’s job. I don’t think its our job for it to look presentable. But most importantly is closing the street for the parade. Per pro tem mayor Gonzalez the street will not be closed. I recommend you contact the city for the most accurate information. Per Frank we do clean the streets but the sidewalks are the owners responsibility and there is an ordinance on that.
