#### **AUDIENCE PARTICIPATION**

Linda Bowen 240 Second Ave, I'm here to talk about fireworks I woke up the next day after the fourth I had this kind of stuff but not a little bit. It was everywhere. I take pride in keeping my place clean. Id does not appreciate it. Last two years its been a war zone. You guys can't make that much money on them. Can we try to figure out how to get rid of the fireworks. Next thing is peacocks. I know there is a way to get rid of them I was animal control here in granger once. I don't appreciate those coming into my yard and pooping all over my yard. Also, the smell of the water is really bad there is times when I can throw up because of the smell. Back to fireworks does the city of granger really need to sell permits you can't make that much money on them.
